Recommended Maths Apps

At St Vincent's, we subscribe to Numbots & Times Tables Rock stars. They log in with the same username and password that they use for their Google logins, which are usually stuck in the back of their reading records. If you don't know their login details, please speak to their class teacher.

Numbots

For pupils to use efficient mental calculation strategies to add and subtract two-digit numbers, so that they can leave counting on their fingers behind!

Times Tables Rock Stars

Times Tables Rock Stars is a carefully sequenced programme of daily times tables practice aimed at schools, families and tutors.

Other available apps include:

White Rose I Minute Maths (Free)

1-minute maths app helps children build greater number confidence and fluency. It's all about targeted practice in engaging, one-minute chunks!

Hit the Button (Free on web page, £3.49 for the app)

Hit the Button is an interactive maths game with quick fire questions on number bonds, times tables, doubling and halving, multiples, division facts and square numbers.

Miner Birds Mental Maths or Times Tables (£1.99 each)

Help the chicken to dig up worms in this fun mental maths app for kids! Collect worms by answering maths questions, which get tougher as you move through the game.

Squeebles Addition & Subtraction (£2.99)

The Squeebles want to take part in the Squeeble-cart rally but the Maths Monster has stolen all the cars and he'll only give them back if you can do well in addition and subtraction questions.

Squeebles Number Bonds (£4.79)

Practise number bonds to 10, 20, 50, 100 and 1000. Four unique, colourful game modes help your child to consolidate their core addition and subtraction skills.

There are also other Squeebles and BusyThings apps available.
